

# Subsea Innovation Day 2018

Featuring Industry Leading Professionals and Manufacturers

## Save the date!

The Subsea Innovation Day is celebrating 5 years and RTS together with NOSP have the pleasure to invite You to RTS in Aakrehamn on the 6th of September.

As usual the day will be filled with demos, mingling and lectures.

There will be bus services from Haugesund Flotmyr at 10:30 and Stavanger Central Station at 09:00. Both buses return approximately at 20:00 from RTS.

To sign up, please follow [this link](#)!

The program is not settled yet, but here is the preliminary plan:

- 3D at Depth
- Comex
- TBA
